CAREER OBJECTIVE

Motivated and aspiring Software Development student currently pursuing a Master of Computer Applications (MCA). Possesses a strong academic foundation in computer science core principles along with practical frontend and backend programming expertise. Adept at database management, web technologies, and algorithm design. Seeking a challenging role to leverage technical capabilities, contribute effectively to software engineering projects, and grow within a collaborative technical ecosystem.

EDUCATION

- | | |
|---|----------------|
| • Lloyd Institute of Engineering and Technology, Greater Noida | 2025-Present |
| Master of Computer Application | 77.77% (I Sem) |
| • Makhanlal Chaturvedi National University of Journalism and Communication | 2022-25 |
| Bachelor of Computer Application | 75.83% |
| • Kapil Muni Children's Academy, Bewar (Mainpuri) | 2022 |
| Intermediate XII | 71.8% |
| • Kapil Muni Children's Academy, Bewar (Mainpuri) | 2020 |
| High School X | 79.2% |

TECHNICAL SKILLS

- **Web Technologies & Frontend:** HTML, CSS, JavaScript, Responsive Web Design
- **Programming Languages:** C, C++, Python
- **Database Management:** SQL, MySQL Setup & Query Optimization
- **Tools, Systems & Frameworks:** Java Servlets, JSP, MS Word, Microsoft Excel, GitHub, Git Version Control
- **Core Academic Concepts:** Data Structures & Sorting Algorithms (Quick Sort, Linked Lists), Object-Oriented Programming (OOPs), Database Management Systems (DBMS), Web Development Methodologies

TECHNICAL & SOFTWARE PROJECTS

- **Personal Portfolio Website**
Designed and engineered a fully responsive digital portfolio using HTML5, CSS3, and JavaScript to showcase frontend engineering capabilities. Integrated tracking schemas for dynamic project metadata evaluation.
- **Real-Time Weather Application**
Built an interactive asynchronous web application utilizing the OpenWeatherMap API to retrieve and render live regional meteorological data. Utilized ES6 JavaScript features (async/await) and robust error handling frameworks.
- **Dynamic Quiz Application**
Created a robust client-side quiz application structured with logical progression pipelines, dynamic structural DOM updates, and custom session score algorithms using JavaScript.

- **Web-Based QR Code Generator**

Developed an instant utility portal utilizing API endpoints to translate user strings and web addresses into clean, downloadable QR codes programmatically.

- **Responsive Computational Calculator**

Constructed a sleek, responsive mathematics tool engineered via CSS Grid/Flexbox structures paired with validation scripts for real-time edge-case error prevention.

CERTIFICATIONS & PROFESSIONAL WORKSHOPS

- **Salesforce & CRM Development Workshop:**

Organized by CloudGyata EdTech Private Limited | Feb 2026Acquired structured core insights into Salesforce Cloud architecture, CRM workflows, Apex Object-oriented Programming, Lightning Web Components (LWC), and IT ecosystem pathways.

CO-CURRICULAR & EXTRA-CURRICULAR ACTIVITIES

- **IIT Poster Making Competition:** Participated and earned a certificate in the technical/creative Poster Making Competition held at IIT, demonstrating presentation design and collaborative skills.

- **Nukkad Natak (Street Play) Performance:** Actively participated and performed in cultural and social awareness Nukkad Natak events representing the institution.

PERSONAL DETAILS

- **Date of Birth:** 15.08.2005

- **Languages:** English and Hindi

- **Current Residential Address:** Haldoni Mod, Greater Noida, Uttar Pradesh, 201310
